

Terms of Service

Last updated: 6 July 2026 · Version 1.0

1 Scope and acceptance

These Terms of Service (the "**Terms**") govern your access to and use of the edgx website (the "**Website**"), operated by **Swiss Distribution Group AG** (UID CHE-252.472.212), Zürich, Switzerland ("**we**", "**us**"). By accessing or using the Website, you accept these Terms. If you do not agree with them, please do not use the Website.

2 Purpose of the Website – no offer, no advice

The Website presents edgx, a venture-building initiative based in Zürich, and describes its approach, methodologies and advisory services for general informational purposes only. Nothing on the Website constitutes:

- an offer, solicitation or recommendation to buy or sell securities or any other financial instruments;
- investment, legal, tax or other professional advice; or
- a binding offer to enter into a contract of any kind.

Descriptions of results, processes or ambitions (including statements about venture building, fundraising or growth) are aspirational in nature and do not constitute a promise, guarantee or forecast of any outcome.

3 Advisory and venture-building services

The services described on the Website are made available on an invitation-only, case-by-case basis. Contacting us – including by email to hello@edgx.co – does not create a client, advisory, partnership, fiduciary or co-founding relationship. Any engagement is subject to separate written agreements, which alone govern the respective rights and obligations of the parties.

4 Intellectual property

All content on the Website – including text, design, graphics, video, logos and the underlying code – is owned by us or our licensors and is protected by copyright and other intellectual-property laws. "edgx", "INVEST9™" and "MAVEC™" and the associated methodologies and marks may not be used, reproduced or registered without our prior written consent. You may view, download and print

content from the Website for personal, non-commercial use only, provided you keep all proprietary notices intact. Any other reproduction, distribution, modification or public communication requires our prior written consent.

5 Acceptable use

You agree not to misuse the Website. In particular, you must not:

- interfere with the operation or security of the Website or attempt to gain unauthorized access to related systems;
- use automated means (scraping, crawling, bulk downloading) to extract content or data beyond what search engines customarily index;
- use content of the Website to train, fine-tune or ground machine-learning models without our prior written consent; or
- use the Website in any way that violates applicable law.

6 Third-party links

The Website may contain links to third-party websites. We have no control over their content and accept no responsibility for them. Accessing linked websites is at your own risk and subject to the terms and privacy policies of the respective operators.

7 No warranty

The Website and its content are provided "as is" and "as available". While we take care to keep the content accurate and up to date, we make no warranty – express or implied – as to its accuracy, completeness, timeliness or fitness for a particular purpose, nor that the Website will be available without interruption or free of errors, viruses or other harmful components.

8 Limitation of liability

To the maximum extent permitted by Swiss law, we exclude all liability for any direct or indirect damage arising out of or in connection with accessing, using or being unable to use the Website or relying on its content. Mandatory statutory liability – in particular for damage caused by unlawful intent or gross negligence – remains unaffected.

9 Privacy

The processing of personal data in connection with the Website is described in our **Privacy & Cookie Policy**, available in the Website footer.

10 Changes to these Terms

We may amend these Terms at any time. The version published on the Website at the time of your visit applies. The date above indicates the last revision.

11 Severability

If any provision of these Terms is held to be invalid or unenforceable, the remaining provisions remain in full force and effect. The invalid provision shall be replaced by a valid one that most closely reflects its economic intent.

12 Governing law and jurisdiction

These Terms and any dispute arising out of or in connection with the use of the Website are governed by substantive Swiss law, excluding its conflict-of-law rules. The exclusive place of jurisdiction is **Zürich, Switzerland**, subject to any mandatory statutory places of jurisdiction.
